Dr. Abigail Darnell Joins Reeves Regional Rural Health Clinic

The family practice physician with a specialty in obstetrics is the latest medical provider added to the local medical community by Reeves Regional Health.

PECOS, Texas (Oct. 28, 2024) — Reeves Regional Health (RRH) is excited to welcome Dr. Abigail Darnell to its medical team. As a highly regarded family practice physician with obstetrics, Dr. Darnell serves patients at Reeves Regional Rural Health Clinic, further strengthening the hospital district’s dedication to providing outstanding healthcare to the community.

“We are committed to closing healthcare gaps in our community and are actively seeking more medical providers,” says Brenda McKinney, CEO of RRH. “Family physicians are the cornerstone of community health, and we are excited to welcome exceptional professionals like Dr. Darnell. Her expertise in obstetrics is especially critical to meet the needs of our growing families here in Reeves County.”

As a family medicine physician with obstetrics, Dr. Darnell delivers comprehensive preventive care to patients of all ages. Serving as a primary healthcare provider, she offers routine checkups, health-risk assessments, and personalized guidance on maintaining a healthy lifestyle. She also collaborates with subspecialists when necessary, ensuring a well-rounded and coordinated approach to critical care.

As a primary healthcare provider for families, Dr. Darnell cares for and treats individuals of all ages, from infants and children to adults and seniors.

Dr. Darnell brings a diverse background to Reeves County. She received a Bachelor of Arts degree from the University of Kansas in Lawrence, Kan., and Foundations of Biomedical Sciences from Burrell College of Osteopathic Medicine in Las Cruces, N.M., where she also received her Doctor of Osteopathic Medicine degree.

With a residency in family and community medicine in El Paso, Texas, and a global health professional at the Peace Corps in Ecuador, Dr. Darnell brings a unique perspective to the community.

“I am deeply passionate about helping individuals of all ages achieve optimal health,” Dr. Darnell expresses. “Whether it’s assisting children in building a strong foundation for wellness, guiding adults in managing their health and wellness concerns, or supporting expectant mothers as they grow their families, my work brings me immense fulfillment.”
